EDUCATION

California Baptist University, Riverside, CA — Expected April 2028
Bachelor of Science in Mechanical Engineering
Relevant coursework: Mechanics of Materials, Thermodynamics, Dynamics, Circuits

Chaffey College, Rancho Cucamonga, CA — January 2023 - July 2025
Engineering coursework

TECHNICAL SKILLS

SOLIDWORKS | AutoCAD | Mastercam | CNC milling | Microsoft Excel | Civil 3D
2D/3D modeling | Mechanical drafting | Assembly detailing | Blueprint reading

ENGINEERING EXPERIENCE

Chaffey College, Rancho Cucamonga, CA — January 2023 - July 2025
Independent CAD and Manufacturing Practice

- Created more than 20 CAD designs using 2D drafting and 3D modeling.
- Completed independent work in SOLIDWORKS and CNC milling using Mastercam.
- Performed CNC milling using Haas machines.

WORK EXPERIENCE

Hillside Community Church, Rancho Cucamonga, CA — January 2024 - August 2025
Facilities Assistant

- Prepared event spaces and arranged furniture and materials for services and events.
- Opened and secured the building; inspected rooms and reported safety or maintenance issues.

Hillside Community Church, Rancho Cucamonga, CA — June 2022 - September 2022
Production Intern

- Supported student and weekend production, coordinating volunteer needs and procedures.
- Assisted with lighting, sound, and graphics for services and events.

PROJECTS

Wooden Box Design and CNC Manufacturing

- Designed and built a wooden box from scratch using SOLIDWORKS and Mastercam.
- Used G-code to machine the wooden box on a Haas CNC machine.

Full-Scale Light Bulb Model

- Modeled separate light bulb components using exact measurements and assembled them in SOLIDWORKS to create a 1:1-scale model.

VOLUNTEER EXPERIENCE

Hillside Community Church — 2014 - Present
Ministry and Production Volunteer

- Supported children's and youth ministries and production.

Project Think — Summer 2017
STEM Activities Volunteer

- Guided children through STEM activities.

Summer Blast — Past seven summers
Volunteer

- Supervised groups of children during program activities.

CERTIFICATION AND LANGUAGE

Certified SOLIDWORKS Associate (CSWA), March 2025 - March 2027 | Spanish
